Dear Mr. Bailey

I have been requested to reply to your letter to Barbara Milne who had a meeting with you on 31st January 2012. I as secretary of Cullen Bullen Tidy Towns also had a meeting with you and Iain Stewart in April 2011.

Thank you for putting in writing that the land Lot 7014 DP 1067906 is still in ownership of the Crown who argued that Lithgow City Council owned the land.

I will write to the Livestock Health and Pest Authority again enclosing a copy of your letter. The area needs to be cleaned up Cullen Bullen Tidy Towns Group have placed an old skip on Council land in front of the skipline and are with Council arranging to have a sign placed with historical facts of the old mine.

Merv Crane Park- the Tidy towns group would like to see the road sealed to the public toilets and back of them. We would like to see the \$17598 in the Cullen Bullen Contributions account be used for this. Cullen Bullen Tidy Towns Group would be delighted if your suggestion of a walkway from the southern side of the village (Lithgow side) to the centre of the village was carried out. At present the people from that end of the town put their lives at risk walking along the highway and Cullen Bullen people need safe areas to walk for their safety

Thanking you once again for your quick response to Barbaras requests. Cullen Bullen Tidy Towns Group are always most thankful for any work done by Lithgow City Council for the residents of Cullen Bullen and the passing tourist.

Yours sincerely
Anne O'Hara
