Dear Sir

Voluntary Planning Agreement
Lithgow City Council - Coalpac Pty Ltd

I have the following concerns regarding the above mentioned agreement.

- Proposed agreement is between Lithgow City Council and Coalpac Pty Ltd but Council has only one person on the Community Consultative Committee following Councillor Feist's retirement from Council and resignation as Chairman of the Community Consultative Committee as an outside chairman has been appointed.

This means that Council will have no control of funds held by the trust.

- Why is there a need for Council to create the agreement before a decision has been made on the project.
- There has been a new Council elected following recent elections

Yours faithfully
