Dear Councillor Statham

RE: Proposed Renaming of Cook Street Plaza Lithgow

Firstly I would like to apologise for my delay in formally responding to your correspondence of 13 November 2012 (I have only recently recovered from a long bout of ill health).

Thank you for consulting me on this proposal and should it proceed, I would be honoured with such a tribute.

Should you wish to contact me further, please address correspondence to me

Wishing you all the best for 2013.

Yours sincerely

Mrs Marjorie Jackson-Nelson AC CVO MBE
