Dear Mr McGuiness,

On behalf of the Vale Ladies I write to ask your assistance, by Council, to replace the concrete pathway on the eastern side of the Vale Hall, which has become rough and uneven.

Recently a few member's husbands constructed a ramp at the rear door so we would be very grateful if Council would consider joining this ramp to the front door by replacing this side path.

We will await your response in anticipation and thank you for your help in advance.

Yours sincerely,

Dear Mr J McGuiness

The enclosed letter was addressed to you and posted, to the Lithgow Council Chambers, for your attention in December 2012.

Jan Hawken advised me that you did not receive the letter and she has asked me to send a copy to you care of your wife.

I thank you for your interest and hope you have some success with the request.

Kind regards

Joy Lawson
