\* WEEKLY RATE  
7.00am - 3.30pm MONDAY TO FRIDAY

## **SODWALLS TARANA ROAD – TENDERS FOR PLANT HIRE**

### **EVALUATION OF TENDERS**

Tenderers were required to submit comprehensive details of the plant being tendered using Council's format sheet, (See attached copy)

Information requested included plant description, make, year of manufacture, engine capacity, load capacity, registration number, plant serial number, details of attachments, existence of ROPS, hourly and weekly plant hire rates both wet and dry and charges for delivery to site.

Evaluation of tenderers was primarily based on an assessment of the following criteria:- unit rate of the machine tendered, the suitability of the machine tendered for the project, capacity and age of the machine, was the tenderer a local contractor with whom Council had prior experience , was the contractor registered on Council registration system which provides individual insurance details, WHS details and work methodologies, and did the contractor possess desired arborist skills.

There was no weighting used in the evaluation of each criteria and the tenders were submitted to the Operations Committee for consideration.

Whilst most of the tenderers complied with the predetermined criteria, the recommendation for acceptance of the tender from Dukes Civil Pty Ltd was based on that tender meeting all the desired criteria whilst being the most competitive financially.

**SODWALLS TARANA ROAD BLACKSPOT SAFETY PROJECT EVALUATION OF TENDERS**

<b>CONTRACTOR</b>	<b>REGISTRATION</b>	<b>RANGE OF PLANT</b>	<b>SUITABILITY OF PLANT</b>	<b>ARBORIST SKILLS</b>	<b>TENDERED PRICE</b>	<b>TOTAL</b>

<b>Ems</b>	0	5	0	1	1	7
<b>Asplundh</b>	5	3	3	5	3	18

**Note** Points score 0 to 5, zero being the lowest rating and 5 being the highest rating

Council's registration system provides for individual contractors to register their services on Council's website, their compliance with the WHS five star system, their WHS policies and procedures, induction details and insurances. This is viewed as an important criteria in selecting plant hire contractors.
