Re toilets in Rydal

Dear Andrew

Doc. No.....
GDA Ref.....
Years.....

Further to our discussion today re the proposed toilets in Rydal. The Rydal Village Association has instructed me to write to you and give a commitment that if the council purchases the land, the Rydal Village Association is prepared to:

1. constructs sewerage system as per the gio tech survey,
2. construct the building for the toilets,
3. buy the fittings needed for the toilets eg toilet bowl, hand basin and any other fittings required,
4. maintain the toilet block,
5. clean the toilet block,
6. supply soap, toilet paper, and hand paper for the toilet block, and
7. be responsible for opening/closing of the toilet block.

The construction of the sewerage system and the toilet block will be completed by locally registered tradespeople.

Any further questions that you may have please do not hesitate to contact me.

Yours Sincerely

Helen Black
Secretary
Rydal Village Association
