ITEM 7: COOERWULL ROAD INTERSECTION

Correspondence has been received by a resident regarding safety concerns for the intersection of Coerwull Road and the lane exiting the Great Western Highway. The resident has stated that the laneway that exits the Great Western Highway at the information Centre that people aren't stopping at the intersection and their family has nearly crashed many times at this point. The resident has also included that the intersection should be added to the black spot program in future. Please see attachment 7.

ACTION

THAT the linemarking in the area be reviewed and upgraded, and the resident notified of the outcome.

MOVED: Prue Britt **SECONDED:** Michelle McGrath

ITEM 8: TARANA VILLAGE ENHANCEMENT MEETING

Correspondence has been received internally from Council regarding some items that were brought up by residents of Tarana following a community meeting for Council's Village Enhancement program. Points raised were the position of the bus shed on Mutton Falls Road, the lack of signage along that bus route and the amount of vehicles reported to be speeding through the main part of town. Please see attachment 8.

Recent traffic count data obtained from the Tarana area is to be used to provide further information on the current road usage characteristics. Police have been notified about the raised issue of speeding in Tarana CBD. The matter has been moved to the next TALC meeting.

ACTION

THAT the item be deferred to provide time for the lack of signage to be investigated along with the positioning of the bus shed along Mutton Falls Road. The results are to be presented at the next TALC meeting

ITEM 9: LITHGOW HALLOWEEN 2016

The Tourism Advisory Committee is seeking advice from Council's Traffic Advisory Local Committee on the possibility of closing Bridge Street between Main Street Lane and Gas Works Lane for the placement of a stage for Lithgow Halloween 2016. The proposed closing of Bridge Street is in addition to the closing of the top end of Main Street from 6.30pm Friday 28 October until 6.30am Sunday 30 October 2016. A full Traffic Management Plan will be developed by an authorised person with the recommendation from Traffic Advisory Local Committee and consultation with local emergency services.

At this meeting, concerns were raised about the insufficiency of supporting information and the impact of the road closure on local traffic, including bus thoroughfare. Council is to organize for Kellie Barrow to attend the next TALC meeting to provide supporting information, including a TCP for the road closure. The matter has been moved to the next TALC meeting.

ACTION

THAT the proposal is deferred, pending further review and discussion of options.
