Dear Mr Bailey

Reference: RNSW418 Cullen Bullen Sewerage.

As you know, the funding for Cullen Bullen Sewerage project remains unresolved. This project has been shortlisted in the current round to enable funding to be resolved in a timely manner. Please review the Detailed Application submitted previously and advise if you wish to resubmit the application in full or provide some additional information. Any additional information must be provided by 15 August 2016.

Infrastructure NSW & NSW Department of Industry will provide a briefing (Webinar) for all shortlisted applicants to assist you to prepare this material. An invitation will be issued shortly.

References:

- RNSW1063 Restart NSW application for funding NSW Rural Fire Service Training Centre Project;
- RNSW1064 Restart NSW application for funding Lithgow Adventure Playground Project;
- RNSW1065 Restart NSW application for funding Lithgow Blast Furnace Project;
- RNSW1095 Restart NSW application for funding Lithgow Union Theatre Project.

I regret to advise that the above projects have not been shortlisted for Restart NSW Resources for Regions funding in the 2016 round.

The Expressions of Interest for these projects were assessed by Infrastructure NSW, assisted by a Regional Independent Assessment Panel. The Projects' Expressions of Interest was assessed to be a lower priority project for funding in this round than other shortlisted projects.

A list of all shortlisted projects is available on the NSW Department of Industry website for your information.

For any further information about the assessment, please email in the first instance on r4r@insw.com.

Yours sincerely

Jenny Davis
Executive Director
